You will be traveling **SOUTH** down Milwaukee Avenue.

Pace Suburban Bus Route #272 has numerous stops along Milwaukee Avenue.

There is one southbound at Milwaukee and Lake.

Traveling south from Lake Avenue you will pass the following landmarks:

On the left: Baymont Inn&Suites

On the left: Motel 6

Underpass: Milwaukee Avenue passes under under the Tollway

On the right: ABT, a huge appliance and electronics store

Overpass: Milwaukee Avenue becomes a bridge over railroad tracks

Stoplight: to the right the road is named Dearlove, to the left Glenview Road

On the left: Countryside Ln. A BP gas station. **Get ready to indicate to the driver that you require a stop.**

On the left: Self Storage. **You are very, very close.**

EXIT HERE:

On the right: The entrance to the Triumvera apartment complex. Get off here; you can stand well away from traffic as you wait for an opportunity to cross the street.

On the left: Linneman Avenue

(If the bus gets to Central Street, a cemetery on the right and a dentist office on the left, you have gone too far. Cross the street and walk north to Linneman, pick up the directions below.)

Cross Milwaukee Avenue and enter the neighborhood along the winding Linneman Avenue. Walk on the right side of the street, the fourth house on the left has an electronic fence restraining a dog that will bark and chase pedestrians along the sidewalk.

Linneman is called Pflingsten for one block. Turn left onto Pflingsten. The street straightens out and is called Linneman again. Turn right at the stop sign onto Rosedale Rd. Our house is 709, the fourth on the left, a modest gray vinyl-sided house between a huge brick house and a huge stone and stucco house.

Problems: phone 847-724-6324.
